To

The Chief Investigator of RCs/PIs
(As per list enclosed)

Subject : Launching of Ph.D Scholarship/Fellowship Scheme under ISEA Project.

Sir/Madam,

Under the Information Security Education and Awareness Project provision has been made to attract highly qualified and motivated candidates to pursue a doctoral degree. As you are aware that the implementation/coordination of this scholarship/fellowship has been assigned to IIT Madras.

2. During interaction with PIs/RCs, it was brought out that some of the PIs do not have Ph.D Scholarship slots for admitting of Ph.D students in Information Security Area ab initio. Based on the suggestions of the RCs/PIs and the recommendations of the Academic Committee of ISEA Project, a Scheme has been evolved for grant of Ph.D Fellowships. A copy of the scheme is enclosed for kind information. The ISEA Ph.D Scheme has two components viz (i) 'ISEA Scholarship' for fresh Ph.D students at eligible PIs only and (ii) 'ISEA Fellowship' for exceptionally meritorious candidates (to be selected based on a selection mechanism by Academic Committee of ISEA Project) who are already pursuing Ph.D in PIs/RCs. This Fellowship would be provided as additional amount over and above the scholarship they are already in receipt of from any source.

3. **ISEA Scholarship:** As the number of slots earmarked for the Scheme are limited/restricted, the PIs are requested to send their proposals to IIT Madras (Kind attention: Prof. S.V. Raghavan) for allotment of slot(s), so that the institution could select/admit the students and the Scholarship amount could be transferred by IIT Madras. The proposals in this regard may be sent by the PIs by 31.07.2009 directly to IIT Madras for freezing/finalizing the allotments.

4. **ISEA Fellowship:** Those students who are already pursuing Ph.D in RCs/PIs could submit their proposal through their respective chief coordinators to IIT Madras for this additional fellowship.

Encl: As above

Yours faithfully,

(G V Raghunathan)
Sr. Director & HOD(HRD)
